Lachlan Stevens - Auction Information Schema

Follow these steps as explained below for the successful execution of the program.

[Log in](#)

When greeted, this should be the first page that shows up:

Possible combinations:

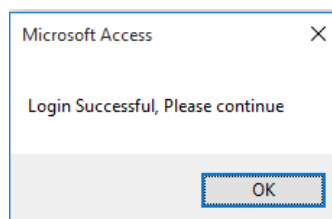

Username: stevlach, alex, dugong, phil

Password: Passw0rd

Where the 0 is a Zero

From here it is also possible to register a user and make up your own details.

Upon successful login you should be greeted by a message box that looks like below:

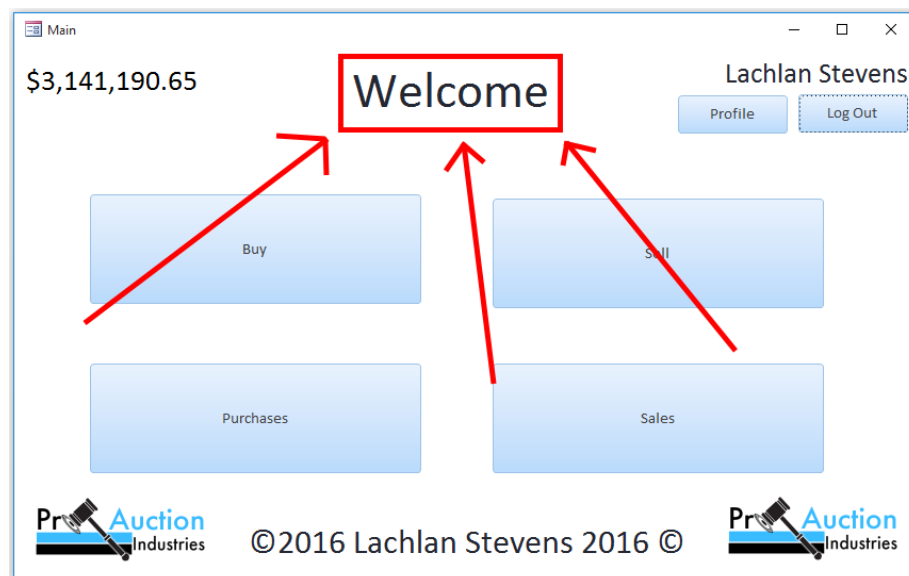

From here the welcome screen should pop open, if not click "Enable Macros".

Welcome Screen

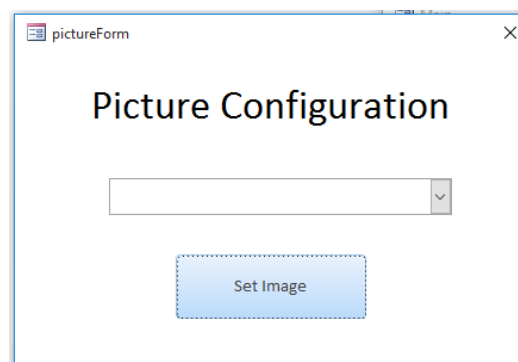

Above, the welcome screen is depicted. **Before anything is proceeded images must be updated.** Within the database each respective item has an image attached to it, this location changes per computer. To fix this:

Select Welcome Label up the top: Click on the label

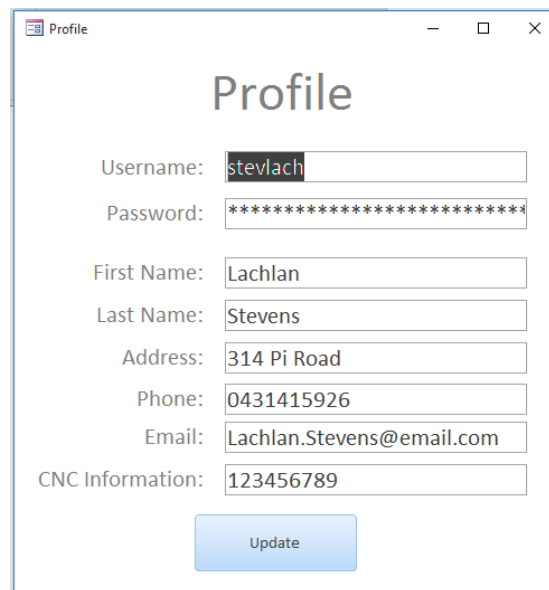

Once clicked image relocation form should open, as noted below:

Profile Button

When the profile button is selected it should open up the user profile report, outlining all the information available to modify under the respective logged in account.

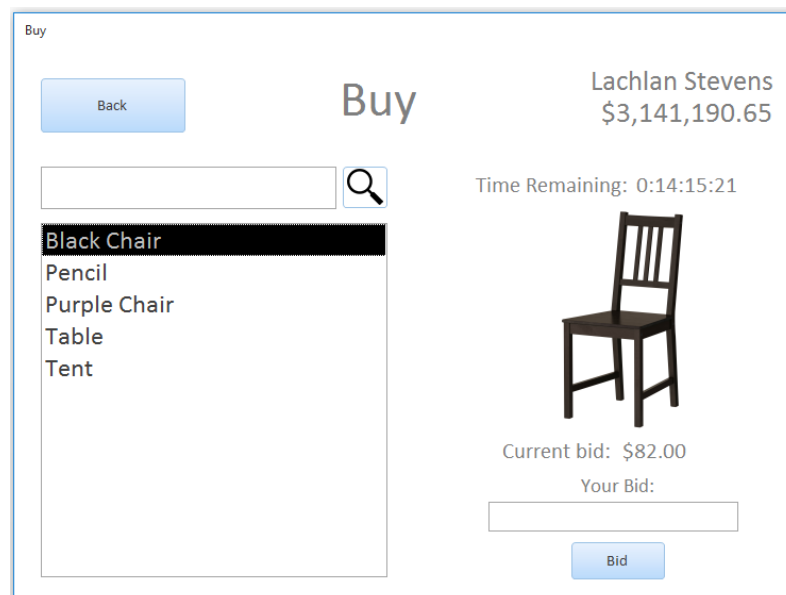

A screenshot of a web application window titled "Profile". The window contains a form with the following fields: Username (stevlach), Password (masked with asterisks), First Name (Lachlan), Last Name (Stevens), Address (314 Pi Road), Phone (0431415926), Email (Lachlan.Stevens@email.com), and CNC Information (123456789). There is an "Update" button at the bottom.

Once update is selected, the form will close and the main form will reopen.

Buy Button

Selecting the button titled buy will take you to the auction form, where the main auctioning will take place.

A screenshot of a web application window titled "Buy". The window contains a "Back" button, a search box, and a list of items: Black Chair, Pencil, Purple Chair, Table, and Tent. The "Black Chair" is selected. To the right, there is a picture of a black chair, the current bid (\$82.00), and a "Your Bid:" input field with a "Bid" button. The time remaining is 0:14:15:21. The user's name and balance are displayed at the top right: Lachlan Stevens, \$3,141,190.65.

This is the buy form, to insert a bid, you enter it into the bid box as depicted above.

To search for an item, the search box (shown above) must be selected with the results displaying automatically as you start typing.

Selecting the picture will show the seller name and item description, as noted below:

The 'Buy' form is titled 'Buy' and features a 'Back' button in the top left. In the top right, it displays the user's name 'Lachlan Stevens' and a balance of '\$3,141,190.65'. Below the title is a search bar with a magnifying glass icon. To the right of the search bar, it shows 'Time Remaining: 0:14:12:2'. On the left side, there is a list of items: 'Black Chair', 'Pencil', 'Purple Chair', 'Table', and 'Tent'. The 'Black Chair' item is currently selected and highlighted. On the right side, there is a 'dugong' button, a 'Good Deal' message, and the 'Current bid: \$82.00'. Below this, there is a 'Your Bid:' label and an input field, followed by a 'Bid' button.

Selecting the button with the seller name on it will bring up a profile sheet highlighting various pieces of information about the user. This should look like as noted below:

The 'Profile' form is titled 'Profile' and contains several input fields for user information. The fields are: 'First Name:' with the value 'Dugong', 'Last Name:' with the value 'Prinsloo', 'Address:' with the value '420 Highway Close.', 'Phone:' with the value '0420420420', and 'Email:' with the value 'Dugong@hotmail.com'. At the bottom of the form is a 'Close' button.

Upon closing and exiting back to the main form; the descriptions will proceed for the Sell form button.

Sell

The sell button will open the respective form to sell items on the Auction market. The resultant form should look like below:

The 'Sell' form is titled 'Sell' and features a 'Back' button in the top left. In the top right, it displays the user's name 'Lachlan Stevens' and a balance of '\$3,141,190.65'. Below the title is a dropdown menu labeled 'New Product'. The form contains several input fields: 'Name of Item:', 'Description of Item:', 'Picture:' (with a 'Select Image...' button), 'Starting Bid:', and 'Ending Time:'. At the bottom of the form is a 'Submit' button.
